

Friends & Family Townhome Pre-Listing Opportunity!

Better-than-the-tax-credit SALE!

Murphy Building Company, Inc has just started construction on the first phase of the much anticipated Willowdale Townhome project in Edmonds. And, we are excited to share this offer with you: **for a limited time we are selling these homes at pre-listing prices.** Of course, if you already have an agent bring them along or if you are an agent bring your customer.

This special pricing will end **June 30, 2010**, so call us now for more information. Basically, if you missed out on the tax credit fear not – this is even better.

We would be grateful if you would pass this along to your friends and family who would benefit from this opportunity.

Thank you.
